

# STUDY ABOUT CLOTHING NEEDS FOR INDIVIDUALS WITH DOWN SYNDROME

I'm Jaeha Lee from North Dakota State University.

I'm doing a study to learn how to make clothes easier to put on, feel good to wear, and how to make finding and shopping for clothes easier.

**If you are 18 years or older and have Down syndrome, you can join this study.** We will need to interview both you and your parent or guardian.

During the interview, we will ask some questions about your clothes and shopping. The interview will take about 30 minutes on Zoom.

**When it is done, you will get a \$50 e-gift card.**

If you want to join, please email me at [jaeha.lee@ndsu.edu](mailto:jaeha.lee@ndsu.edu) and say what organization told you about this study.

This research is conducted by Art and Design+ Department  
at North Dakota State University.
