Thank you for your interest in advocating for the SSI Savings Penalty Elimination Act! These social media templates are intended for advocates to use on their social media accounts to increase education and awareness of the bill. Did you know that individuals who are SSI beneficiaries cannot have more than \$2,000 in assets and couples cannot have more than \$3,000 without affecting their eligibility for critical government benefits? These limits are discriminatory, as they limit individuals with disabilities from saving, working, and marrying who they choose. I am advocating for the SSI Savings Penalty Elimination Act which would raise the allowable asset limits for SSI beneficiaries and eliminate the marriage penalty!
