

Stanford University invites you to participate in a research study about your perspectives on and experiences with **aging and Alzheimer's Disease for adults with Down syndrome**

You are eligible for this study if you are:

- **An adult with Down syndrome (18 or older)**
or
- **A family member/caregiver of an adult with Down syndrome.**

Study Information

Attend one (1) 90-minute focus group with up to 5 other participants over Zoom.

We want to hear from you about your experiences with and perspectives on aging and Alzheimer's and how people can better serve the health care needs of aging adults with Down syndrome.

Receive a \$30 giftcard as a thank you for your time.

Interested in participating or want to learn more?

**Contact the study coordinator, Megan Cvitanovic
(mcvitano@stanford.edu, 650-497-0938)**

For participant's rights questions, contact 1-866-680-2906.
